

CORPORATE SPONSORSHIP PROGRAM

The Lakeville South High School (LSHS) Bands perform with ***Passion and Pride*** whenever and wherever they go. The bands have performed locally in many parades and football games, nationally at the Pearl Harbor Memorial Parade in Honolulu, Hawaii, and internationally at the Saint Patrick's Day Parade in Dublin, Ireland.

The LSHS Band program creates over 600 student musical opportunities each year in our music courses, concert bands, marching bands, winter color guards, and winter drum line!

All of these wonderful experiences cost money. It takes about \$80,000 per year to keep the marching band program going. To date, most operating funds are raised via fundraising and fees paid by students and parents. This is not a sustainable financial model as the program continues to grow and costs continue to rise.

The marching band participates in competitions throughout the state each year. They have won TWO State Championships in as many years! It is through generous corporate sponsorships that we are able to continue to give these amazing kids the experiences and opportunities to help them perform with ***Passion and Pride!***
